EAT LOCALLY – SUPPORT LOCALLY

Over the past 3 decades, the 2510 Restaurant and Deli has understood the importance of buying locally and supporting our community. With the help of their primary food distributor located in Baraboo, WI, they have partnered with many local manufacturers, growers and farmers around the state. Each month, they will feature these companies in a separate, limited menu. Each time a guest orders off this menu, \$1.00 towards the purchase of food will be donated to TNP's Food Pantry. In addition, their staff has already donated \$500.00 toward the purchase of food for the same cause.

Thank you to all of our supporters – "It takes a village," and our village is up for the challenge!

THE COMMUNITY GIVES SO WE CAN HELP

A message from Tom Rau, Executive Director

Several Sundays ago I had the good fortune to listen to a sermon that talked about gifts, and the spirit of giving and helping. I don't recall the exact words, but I certainly remember how it made me feel.

The crux of the message, as I heard it, revolved around the idea of unconditional gifts or help. This kind of message is right up my alley. I believe this is the cornerstone of why The Neighbors' Place was formed. It is an intentional idea that says the help or service we offer at The Neighbors' Place is offered without condition. It is available to anyone. There is no judgment to be made about who qualifies or who doesn't. The motivation to help comes from the need for help, not from worthiness or un-worthiness. To me this is the spirit of giving at its purest.

Every day at The Neighbors' Place, because of the wonderful community we reside in, we are blessed to be able to reflect this idea to the people we serve. It is the community's commitment to this mission that allows us to do what we do. I think of this as we again approach a major fund raiser for The Neighbors' Place. Monday, August 9 is the date for the 8th Annual Golf Benefit hosted by Innoviant. As they have for many years, our friends at Innoviant put their hearts into making this event a success *so we can help*. Each year, golfers from our community and beyond generously participate in this event *so we can help*. If you have participated in the past, we hope you will join us again; if you have not had the chance yet, make this your first year. For information, please call The Neighbors' Place at (715) 845-1966 or you may contact the Innoviant Golf Committee at (715) 841-5001 or INN-Golf@innoviant.com.

One Fathers' Day, a young avid golfer decided to take his "older" father golfing. To his surprise, his "old" dad played fairly well. He didn't hit the ball far, but plodded along consistently and didn't waste much time. Finally, they reached the 9th fairway and the young man found himself with a tough shot. There was a large pine tree right in front of his ball - directly between his ball and the green.

After several minutes of debating how to hit the shot, his father finally said, "You know son, when I was your age, I'd hit the ball right over that tree."

With that challenge placed before him, the young man swung hard, hit the ball up – right smack into the top of the tree trunk. It thudded back on the ground, not a foot from where it had originally lay.

His father then offered one more comment, "Of course, when I was your age, that pine tree was only three feet tall."

This story is offered to you by a member of FTGBTS – *Fathers Teaching Golf Balls To Swim* and failing for over 100 years.
